

The iDove initiative is happy to announce that the **3rd iDove Training of Trainers (ToT)** has been scheduled for

7th – 10th August 2019 in Cape Town, South Africa

About iDove:

iDove (Interfaith Dialogue on Violent Extremism) was jointly launched by the African Union Citizens and Diaspora Directorate (AUC-CIDO) and the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH in February 2017 to highlight the importance of the soft power of religion in Preventing Violent Extremism (PVE) through innovative, youth-led approaches. By building on existing initiatives and supporting young people's engagement and ideas both in Europe and Africa, iDove strives to develop non-violent approaches to problem solving that strengthen social cohesion, and to create a forum for exchange and mutual learning.

About the iDove Training and Training of Trainers:

The iDove ToT is a four-day workshop with the goal to qualify young facilitators to deliver the PVE training format developed by iDove in their communities. These local iDove trainings aim to empower youth to play an active role in PVE and building cohesive communities at the local level. To this end, innovative youth-led approaches are combined with religious perspectives in an interactive workshop format. In addition to experiencing the iDove training first hand, participants will be educated on learning styles and methodologies and will practise their own session delivery.

If you are keen to be trained on how to conduct an iDove PVE training in your local community, please *send your CV and motivation letter* (no more than one page) to idoVe@africa-union.org.

Application deadline is June 2nd, 2019.

Applicants need to fulfil the following requirements:

- ✓ engagement in PVE work and building social cohesion, preferably at the community level in southern Africa,
- ✓ commitment to interfaith dialogue and collaboration,
- ✓ willingness to discuss sensitive issues and engage with people holding different views,
- ✓ experience in workshop facilitation and/or adult-learning methodologies,
- ✓ place of residence in the larger South African region,
- ✓ proficiency in English,
- ✓ not older than 35 years.

Participation costs, including travel and accommodation, will be covered by iDove. If you have any further questions about the training or the application process, please send us an Email.
